

Transforming Lives in Mahama Refugee Camp and Kirehe District Host Communities!

We are delighted to announce our latest partnership which is co-financed by the German Federal Ministry for Economic Cooperation and Development (BMZ) and the European Union (EU). This partnership will see us:

- Enhancing mental health & psychosocial support access for 1,500 individuals.
- Empowering 100 service providers & CSO staff to tackle GBV challenges.
- Reaching over 30,000 people through innovative awareness campaigns.
- By leveraging tools like the 845 IVR platform and the proven SASA! methodology, we're building an inclusive, resilient community.

Together, we're creating safer, healthier communities for refugees and hosts alike!
